

Mizanur Rahman

Frontend-focused Fullstack Developer | React.js, Next.js, Node.js, Express.js

Mirpur-2, Dhaka, Bangladesh | +880 1735-929561 | mizanurmgt@gmail.com | [Portfolio](#) | [GitHub](#) | [LinkedIn](#)

Frontend-focused Fullstack Developer with 6+ years of experience building scalable, high-performance web applications using React.js, Next.js, TypeScript, GraphQL, Node.js, and Express.js. Strong focus on clean architecture, performance, and user experience.

Experience

IDARE Ltd. | Frontend Engineer

Dhaka, Bangladesh | March 1, 2024 – Present

- Develop and maintain modern web applications using React.js and Next.js.
- Build responsive, user-friendly interfaces based on UI/UX designs.
- Lead and mentor the frontend team, ensuring code quality and best practices.
- Optimize applications for performance, scalability, and maintainability.
- Integrate REST APIs and occasionally develop backend APIs and server-side features.
- Collaborate closely with cross-functional teams to deliver high-quality products.

M4YOURS IT | Frontend Engineer

Dhaka, Bangladesh | August 2021 – February 2024

- Developed and maintained web applications using React.js and Next.js.
- Wrote clean, reusable, and maintainable frontend code following best practices.
- Collaborated with UI/UX designers to build responsive and user-friendly interfaces.
- Integrated REST APIs and worked closely with backend developers.
- Improved application performance, responsiveness, and overall user experience.

Isharify Ltd. | Frontend Engineer

Dhaka, Bangladesh | January 1, 2020 – July 31, 2021

- Developed and maintained client websites using React.js and Next.js.
- Built responsive, user-friendly interfaces in collaboration with UI/UX designers.
- Integrated REST APIs and collaborated closely with backend to deliver seamless, end-to-end functionality.
- Worked with project managers to deliver projects on time and meet client requirements.
- Maintained and enhanced existing websites for performance, compatibility, and usability.
- Fixed bugs and implemented new features to improve user experience.
